

STAR WARS

Star Wars was one of my favorite movies growing up. People refer to it now as "Episode IV: A New Hope" but when it originally came out, everyone just called it "Star Wars." Even though it was called "Episode IV" it was the first Star Wars movie released. Then there was another episode every three years until the original trilogy was done. I loved the plot and the special effects. Some of my favorite characters were Han Solo, Luke Skywalker, and the robot R2D2. I was very scared of Darth Vader. I wanted very much to have my own lightsaber and fly in an X-Wing fighter.

- **My Favorite Characters:**

- Luke Skywalker
- Princess Leia
- Han Solo & Chewbacca
- R2D2
- Obi Wan Kenobi

- **My Least Favorite Characters:**

- C3P0 - too whiny
- Storm Troopers
- Grand Moff Tarkin
